Excellent Value – 3 Bedroom Semi-Detached Home in a Superb Location

An excellent opportunity to acquire a 3-bedroom semi-detached home in a fantastic location, ideally positioned approximately equidistant between Letterkenny and Ballybofey.

Occupying an elevated site, the property enjoys a lovely degree of privacy to the rear, with a fully enclosed rear garden. The home is clean, tidy, cosy and ready for immediate occupation, while offering scope for a new owner to make some cosmetic improvements over time and put their own stamp on it.

The accommodation is well suited to family living and, having been built approximately 22 years ago, presents as a very reasonably maintained home. Some updating may be desirable, such as replacing bedroom carpets and updating the kitchen doors, but these are relatively straightforward improvements that can be undertaken over time.

Important Information for Purchasers

Prospective purchasers should note that no defective concrete block testing has been carried out on this property.

There are properties in the surrounding area where defective concrete blocks have been confirmed, and accordingly purchasers should satisfy themselves fully regarding the construction and condition of this property before proceeding.

For this reason, and given the uncertainty surrounding the property's blockwork, the property is being offered for sale to cash purchasers only and is not considered suitable for purchasers requiring mortgage finance.

The asking price has been set with this consideration firmly in mind, and we believe the property represents an excellent opportunity for a purchaser who is in a position to proceed on a cash basis and who understands the circumstances.

The property displays only very slight visible cracking to areas of plaster, but purchasers are strongly advised to carry out whatever independent inspections and investigations they consider necessary before committing to the purchase.

For someone looking for an affordable home in a superb location, with a private garden and the opportunity to improve and personalise the property over time, this represents very attractive value for money.

A home that, with normal ongoing maintenance and care, offers the potential to provide comfortable accommodation for many years to come.
