Keane Mahony Smith, together with iamsold.ie, are delighted to present No. 55 Wellpark Grove to the market, a four bedroom detached family residence occupying a superb position in this mature and highly convenient Galway City location.

Built circa 1977 and extending to approximately 110 sq.m/ 1,185sq.ft , No. 55 presents an excellent opportunity to acquire a detached family home with a desirable south-facing rear aspect overlooking adjoining playing pitches.

The property benefits from oil-fired central heating, double-glazed windows and external wall insulation.

The accommodation is well proportioned and comprises an entrance hall, living room, utility, shower room and an extended kitchen/dining room with direct access to the rear garden. Upstairs, there are four well-proportioned bedrooms together with the main family

bathroom.

A particular feature of the property is its south-facing rear garden, which enjoys excellent natural light throughout the day and a pleasant open outlook over the adjoining playing pitches. The garden is private and is not directly overlooked from the rear.

While the property would benefit from modernisation, it offers considerable potential for a purchaser to upgrade and create a comfortable family home to their own taste and specification.

Wellpark Grove is a long-established and highly convenient residential development, ideally positioned within easy reach of Galway City Centre. A wide range of amenities are close at hand, including Wellpark Retail Park, Galway Shopping Centre, schools, sporting facilities and regular public transport, while the major employment hubs of Mervue, Ballybrit and Parkmore are also readily accessible.

With its detached setting, four-bedroom accommodation, south-facing rear garden and excellent city location, No. 55 represents an attractive opportunity for buyers seeking a family home with further potential. Viewing is highly recommended.
