We are pleased to bring this three level - three bedroom townhouse to the Tuam and North Galway market.

The residence which is in need of some redecoration and refurbishment is in the centre of the town within a few metres of all general services and amenities including shops, schools, Cathedral, post office, bus stop, leisure centre and swimming pool while Galway City and universities are a short 30/35 minute commute. Thanks to the new motorway and bypasses larger hubs like Castlebar, Limerick, Athlone & Dublin are all relatively convenient. Tuam and its hinterland remain a focal part both sporting and culturally with many outlets available to new dwellers.

The dwelling itself appears appealing, charming and full of character while the general layout also included a kitchen, plus front living room and two bathrooms.

The sale should provide promise to investors / developers as well as home seekers and its 'grant' potential should prove helpful.

Property may be eligible for Vacant Property Refurbishment Grant.

The Vacant Property Refurbishment Grant provides funding so you can refurbish vacant and derelict homes. It can also be used to renovate vacant and derelict properties that have not been used as residential properties before. This only applies if these non-residential properties were previously used for commercial or public use and now have the correct planning permission.

You can get a grant of up to €50,000 to renovate a vacant property and up to €70,000, if the property is derelict.
