THREE HOUSES – AVAILABLE INDIVIDUALLY – FROM €35,000

Exceptional Builder / Developer Opportunity – Callinacor, Drumkeen, Co. Donegal

A rare opportunity to acquire one or more of three partially constructed detached houses in an excellent location in Drumkeen, ideally positioned between Letterkenny and Ballybofey/Stranorlar.

The properties are available for purchase individually as follows:

- House 1 – €70,000
- House 2 – €35,000
- House 3 – €35,000

The three properties are being marketed together for convenience, with photographs showing the overall development and surrounding setting. Each house is being offered as a separate opportunity, allowing a self-builder, cash buyer, builders or developers to acquire a single property or multiple properties depending on their requirements.

House 1 is substantially constructed, roofed and weather-sealed and benefits from brand-new triple-glazed windows and external doors, which are included in the sale and can be fitted by the new purchaser. We have been advised that the external walls have a high level of mica and the outer leaf would need to be replaced, internal walls are thought to be ok.

The remaining two houses No.s 2 and 3 are at an earlier stage of construction and may require demolition and/or redevelopment, subject to the purchaser's own assessment, planning requirements and professional advice.

This is an excellent opportunity for a self-builder, cash buyer, builders, developers or experienced purchasers looking for a relatively small-scale project in a highly accessible location between Letterkenny and Ballybofey/Stranorlar at a relatively low entry cost.

The site enjoys a superb location, providing convenient access to both Letterkenny and Ballybofey/Stranorlar, making it particularly attractive for those seeking a rural setting while remaining within easy reach of major employment, retail and service centres. Local amenities are close at hand, with a school and church within a short drive, while the surrounding area offers a strong residential setting and excellent connectivity.

Viewing is highly recommended to appreciate the individual properties, their potential and the overall location.
