Set on a large site, this charming rural property offers excellent potential in a peaceful countryside setting. This derelict property is in need of complete renovation, but should benefit from the Derelict Homes grant of up to €70,000.

Located in a quiet and picturesque area, the property sits at the corner of a minor road, from which it is well set back. There is an old stone outbuilding to the rear which could also offer the potential of a renovation project.

The site itself is large and surrounded by mature trees. Swinford is situated less than 10km from the property while Ireland West Airport Knock is just 21km away.
